

# PORTABLE GRAPHING CO<sub>2</sub> SENSOR

level	color	description
< 600 ppm	blue	outdoor air
600 - 800 ppm	green	fresh indoor air
800 - 1000 ppm	yellow	indoor air, ventilate the room if possible, small possibility of virus transmission
1000 - 1400 ppm	orange	used indoor air, ventilate the room, cognition is impacted, possibility of virus transmission
> 1400 ppm	red	heavy used indoor air, heavy cognition impact, high possibility of virus transmission, ventilation needed.
